MEGHALAYA PUBLIC SERVICE COMMISSION

ANNUAL REPORT 2023-2024

The MEGHALAYA PUBLIC SERVICE COMMISSION
has the privilege to present before
H.E. the Governor of Meghalaya
its Fifty Second ANNUAL REPORT as required under
Article 323 (2) of the Constitution.

This report covers the period from
1st April, 2023 to 31st March, 2024.

Foreword

I am delighted to present the Annual Report for the year 2023-24, a testament to the relentless effort, dedication and achievement of the Commission.

The Commission over the years has been serving the state with the recruitment and selection of the best qualified personnel to serve the various departments of the government of Meghalaya. Accordingly it strives to ensure fair, just and impartial selection of candidates.

The Commission has come a long way since its inception, by adopting reforms, reducing the timelines of recruitment and use of Information Technology. The advancement in technology has brought new challenges not only to the Meghalaya Public Service Commission, but for all recruitment bodies. To meet these challenges, all efforts are being made by the Commission to keep pace with the developments taking place. The MPSC has always strived to improve its functioning and public service delivery, facing challenges as they come and by adopting methods and reforms to bring about improvements in the organization and the recruitment process. To this end, the process of scrutiny of applications which was a stumbling block due to the large and increasing number of applicants, thereby delaying the conduct of examinations was done away with by the Commission, leading to prompt conduct of examinations resulting in shorter timelines of the recruitment process.

This Annual Report presents the profile and tasks of the Commission.

Paul R. Marwein
Chairman
